

EDUCATION

Salamanca High School
High School Diploma - 2004

Jamestown Community College
260 North Union Street, Olean NY 14760
2025 to Present – Cyber Security Program

Professional Strengths

- Strong analytical and problem-solving ability
- Quick learner with adaptability to new technologies
- Clear communication with both technical and non-technical users
- Excellent customer service and user-support mindset
- Multitasking in fast-paced environments
- Maintaining professionalism with staff, students, and customers
- Following procedures and adhering to security best practices
- Managing equipment inventory and maintaining organized workspaces

PROFESSIONAL EXPERIENCE

Salamanca High School **Audio Visual Tech/IT Help Desk**

- Set up, operated, and troubleshoot classroom and auditorium AV systems, including projectors, soundboards, microphones, and lighting equipment
- Provided day-to-day technical support for teachers, students, and staff across Windows, macOS, and ChromeOS devices
- Diagnosed and resolved hardware, software, and network connectivity issues in a fast-paced school environment
- Supported live events such as assemblies, performances, and presentations, ensuring smooth audio and visual delivery
- Installed and configured laptops, printers, smartboards, and other instructional technology
- Managed help desk tickets, documented solutions, and maintained clear communication with end users
- Performed preventative maintenance on AV and IT equipment to reduce downtime and extend device lifespan
- Trained staff in the use of classroom technology and provided easy-to-understand guidance for non-technical users
- Collaborated with IT teams and administrators to support school-wide technology initiatives
- Maintained inventory of AV gear, cables, adapters, and IT equipment to ensure availability for daily operations

Home Depot

Lot Associate

- Greeted customers and aided loading merchandise into vehicles
- Maintained a clean, organized, and safe parking lot and store entrance
- Retrieved shopping carts from the parking lot and ensured consistent cart availability
- Assisted customers with locating products and directed them to appropriate departments
- Supported curbside pickup and order loading for online purchases
- Monitored the lot for safety hazards and promptly addressed spills or obstructions
- Collaborated with store associates to ensure smooth customer flow during busy hours
- Provided friendly, customer-focused service to enhance the overall shopping experience
- Helped maintain outdoor merchandise displays, including seasonal items
- Followed safety procedures and equipment guidelines while performing physical tasks
